1. Read correspondence ending with letter No. 907, dated 18th August 1925, from the Engineer-in-Chief in Mysore, re-debiting to the Railway Project estimate the royalty charges in respect of building materials quarried for the Nanjangud-Chamrajnagar Railway line.

Resolution.—Considering that the Railway is a project which benefits the raiyats in the first instance, the Government be approached that the recovery of royalty of materials quarried for the construction of the Nanjangud-Chamrajnagar Railway line may be kindly waived, especially as no provision has been made for this in the estimate and also in view of the provision in Rule (iii), Appendix A to G. O. No. Fl. 4932-81—G. F. 163-13-1, dated 22nd April 1914, prescribing rules for granting certain concessions when railway construction is undertaken.
